The Victoria Hall Support Group has been formed to promote the use of the Victoria Hall and to assist in the maintenance and running of the Hall. We are a group of volunteers working to plug the gap left by the withdrawal of funding from South Lakes District Council.

With the help of donations from local businesses and individuals, as well as the proceeds from events promoted by VHSG, we have been able to provide a purpose-built bar, a commercial dishwasher and various office items and furniture.

Our project to raise funding to re-upholster the balcony seating was very successful. Thanks to all our sponsors. Funds have also been raised to replace the ageing sound system in the Hall.

Our current projects are to fund a projector and screen for Cinema at the Vic and to fund the re-finishing of the Hall floor. Funds are also donated to the general maintenance of the Vic.

Events in blue require Club or Society membership.

All proceeds from events in red go towards the upkeep and promotion of the Victoria Hall.

Inquiries and bookings for events should be made at the **Grange Information Centre** in the Victoria Hall,
