INVITATION TO TENDER

Fence at Grange-over-Sands Recreation Ground, Grange Promenade

Job specification:

To quote for the replacement of the fencing at the Recreation Ground on the Promenade, Grange-over-Sands.

MUGA (Multi Use Games Area) fencing required as it needs to be:

- robust to cope with the boisterous play of teenagers.
- tall enough to prevent balls from going over onto the adjacent railway line.

Work required:

OPTION 1:

1. Erect new MUGA fencing parallel to the existing fence along the railway line from the tennis court to the skate park (inclusive). Approximately 90m in length. New fence to be at least 3m in height & installed with a 125mm gap under to enable any balls falling between the existing & new fence to be retrieved. To be installed inside of the existing fence in the tarmac area.
2. Erect new MUGA fencing on remaining 3 sides of the MUGA court. Fencing to be at least 2.4m in height.
3. Leave existing gaps for access to the MUGA.
4. Create new access gap between the MUGA and tennis court, marked X on Appendix A.

Note –

The other 2 sides of the the tennis court will remain with the existing fencing.

OPTION 2:

1. Erect new MUGA fencing along all sides of the MUGA court only. The new fencing on the side adjacent to the railway will run adjacent to the existing fence, the other 3 side to be replaced. The new fencing to be at least 2.4m in height.
2. Leave existing gaps for access to the MUGA.

3. Create new access gap between the MUGA and tennis court, marked X on Appendix A.

Prices must include taking down & removal of the old fencing.

Please quote for both options.

Work to be done on behalf of: Grange-over-Sands Town Council
