#### C21/118 SLDC Ornamental Gardens Pond

14

Members noted that at the previous meeting, correspondence from SLDC about using the Pond for electric and sail powered scale model watercraft was considered.

It was resolved that GTC supported SLDC in this initiative in principle, as encouraging local use of community assets, but had some concerns about viability, wildlife and safety, and requested a meeting with SLDC and the proposers to discuss the project.

A meeting was scheduled for Wednesday 3 November 2021, 1pm, at the Pond. Cllrs. Thomas, Walmsley and Handley attended, meeting representatives from the Boat Club and Lambert Smith Hampton (SLDC Property Management).

Members noted an update from the meeting from Cllr. Thomas:

It was discussed with SLDC that the Club could use the little bay beyond the War Memorial to launch boats which would be wind or battery powered. As boats would get snagged and damaged if they went near the islands, they would only operate in the area around the fountain and back to the base. These means they would not disturb nesting birds.

The area around the War Memorial would not be used at all, no activity would take place on Remembrance Sunday or 11 November.

SLDC would put up signage that only Club members could operate their boats and anyone interested should contact them for further information.

If the boats broke down or got otherwise marooned, then the owners have various tactics to get them back to dry land without wading through the mud to get them.

Fiona Hanlon attended the meeting as an observer and spoke of her concern about the state of the Pond and the fact that blue algae had been seen there this summer. She is very keen for the pond to be dredged.

The Boat Club representative has knowledge as to how this might be achieved (using a tanker with a long hose and a pump) and is quite happy to give support should SLDC decide to investigate this route. However, it is likely to be expensive. Lambert Smith Hampton Officer said the meeting report and ideas would be presented to SLDC.

#### **RESOLVED**

That Grange Town Council continued to support SLDC in this initiative in principle and suggested that if SLDC was minded to allow this activity on the Pond, that a licence was issued for a one-year trial period.

C21/119 Training 15

Members noted that the Town Clerk attended (virtually) the SLCC National Conference on 13 and 14 October 2021.

C21/120 Staffing 16
